Condolences and personal messages can be sent to the family from people all over the world. This enables friends and family who are unable to attend the ceremonies to pay their respects.

- ONLINE GRIEF RESOURCE -

This resource will help your family and friends access agencies and organizations relating to death and loss and thus, help in the recovery process.

Families want to have meaningful and personal ceremonies. We offer many options for families who want to make their loved one's ceremonies personal and meaningful. The following are available at a nominal cost.

Life Memory Video

Special photographs, provided by your family are put together in a video (DVD) that vividly recalls memories to family & friends. The video is enhanced by pleasing background music lasting about 3 minutes and can be viewed in our chapel during specific points of the ceremony. Many churches now have the capability of showing similar type videos. Videos are produced within 72 hours and samples can be previewed in our offices.

\$345

Life Memory Portrait

Using a photograph provided by your family, our technicians create a simulated fine oil painting. Available in 16"x20", these framed portraits are displayed on an artist's easel during the ceremony and later kept by the family as a life time keepsake.
